## THE NEW PLAYS

"Getting Together" Should Aid Recruiting BY CHARLES DARNTON

the spectacular play, "Chu Chin

GOOD, strong drive for more men in khaki is being made by ROMANCES OF STAGE "Getting Together," the loyal demonstration at the Lyric Theatre. It can scarcely be said that Major Beith (Ian Hay), J. Hartley Manners and Percival Knight have written a play. That doesn't matter. They have done something better by dramatizing the spirit of the Allies and anding a shot into the heart of the nemy-if the enemy has a heart.

"Getting . Together" is merely a ans to an end. But that end is greatest thing toward which the rilized world is stretching its aching arms. It is significant that for once the theatre is giving itself to omething quite outside the theatre, something so big and so fine that it means the expression of a people's soul. I don't like the word "propaganda," even when it is used in our own interests, yet here is a work unselfish in purpose that has wide possibilities. It isn't to be considered merely as a design for getting British and Canadian men into the serrice over here, since it sends an ually strong call to Americans,

Very little need be said about the husband and wife who find they have nothing to talk about simply because they are bored with each other. That they "get together" in France is also of little importance. Still it is worthy of note that players of such distinction as Holbrook Blinn Chow," at the Century Theatre, has and Blanche Bates are not only will- been married. The romance came ing, but I dare say glad, to play these to light yesterday when Miss Adele parts. Of infinitely more importance
Is the "curtain talk" of Miss Bates,
In which she speaks intelligently and
sympathetically of the work that the
we men of our country may do to aid in the face. Miss Bates's role can mean nothing to her, but the words that come from the heart of this W nerican woman are sure to carry message to thousands of men and women throughout the land. God bless her-and keep her from overdressingt

It is stirring, too, to see Lieut, Getz Rice wearing the Victoria

There is also a valiant piper who marches up and down the aisles with the stride of a man who is no stranger to war. It is Percival Knight, however, who arries off the first honors of the erformance as a good-natured cockney sergeant.

The most thrilling scene of "Getting Together" shows American and British soldiers going "over the top" with a big tank spitting fire in the course of the asardas to the grim interest of the performance. A recruiting station in New York City, a glimpse of Noman's Land, and the tragi-comic incidents of a French village give variety to the thrilling spectacle.

To Quickly Remove Ugly Hairs From Face

(Beauty Notes) Beauty-destroying hairs are soon sanished from the skin with the aid of a delatone paste, made by mixing me water with a little plain powdered delatone. This is spread upon the hairy surface for 2 or 3 minutes, then rubbed off and the skin washed to remove the remaining delatone trace of hair and leaves the skin with out a blemish. Caution should be used to be certain that it is delatone you buy,-Adyt,

Figure It Out

The Problem of Corsets

The same cress worn by two different women will present lines that are different on each. In one instance the lines may be long, free, and beautiful, in the other, ugly and cramped. The why of this difference lies in the choice of a corset. Unless her corset be harmoniously adapted to her figure and built in just the right way, no woman can feel really at ease or look her most effective, no matter how handsome the gown she wears.

We invite the especial attention of our patrons and of Greenhut's former patrons to our selection of corsets, which is the most comprehensive possible, and includes models for all figures, built on classic lines of health and beauty, and made of the finest materials that combine durability with loveliness.
